CALL FOR ABSTRACTS

4th SPWLA INDIA SYMPOSIUM 2017 will be held at Mumbai, the commercial hub of India on 11-12th February 2017. The earlier three SPWLA Regional Symposium held in 2007, 2009 and 2011 have evoked enthusiastic response from both the Indian and Overseas delegates and received international acclaim for the professional conduct of the Symposia, the quality of papers presented and exchange of intellectual inputs amongst the participants. The 4th SPWLA –India Symposium 2017 addresses the theme “**Petrophysics: Solutions through Integration**”. The Executive Committee of SPWLA – India invites you to join us at Mumbai on 11-12th February 2017 to showcase your recent case studies and innovations to address the challenges of present industry. Important dates related to timeline will be conveyed shortly. Abstracts on following topics are invited

- **Petrophysics – Seismic Integration** - Evaluation of data concepts and methods
- **Petrophysics – Geology Integration** - Field studies, Regional Play and Basin analysis, Prospect reviews
- **Petrophysics – Drilling Integration** - Formation Evaluation, Well placement and drilling Optimization
- **Petrophysics & Reservoir Integration** - Reservoir characterization and monitoring
- **Emerging Technology** - Future trends in Petrophysical Techniques

The information contained in your abstract is the basis for the acceptance of your paper for presentation in the symposium. Relevance, Novelty and Clarity are what we look for at the Symposium. Send a separate mail for each abstract submitted. For multiple authors, the submission should come only from the designated corresponding author. Notification of Acceptance will be conveyed to the Authors. The accepted papers will be scheduled for presentation at the 4th SPWLA India Symposium and the abstracts will be published in the Symposium souvenir to be released. The full papers will be circulated in the Symposium CD to be released during the event.

For any queries please contact Mr M K Tewari, Secretary at SPWLA-India, +919410390639, or email at spwla.india@gmail.com. Details of the Registration Process for the Symposium will be uploaded shortly on the website www.spwlaindia.org. Please follow the website for regular updates.

****SPWLA – INDIA INVITES ACTIVE PARTICIPATION WITH QUALITY PAPERS****
